Tracks scoring less than eight horses abreast must limit starters in Maine Standardbred Breeders Stake races to one tier scoring abreast with not more than two trailers.

4. Race Secretaries must divide 2- and 3-year-old pacing entries by sex.

5. Two-year-old colt and filly trotters will not be eligible to start unless they show a satisfactory performance line of 2:18 or better on gait at the time of draw. Three-year-old colt and filly trotters will not be eligible to

start unless they show a satisfactory performance line in the current year of 2:13 or better on gait at the time of draw.

Two-year-old colt and filly pacers will not be eligible to start unless they show at least one performance line equivalent to the standards of the meet where the race will be contested.

Three-year-old colt and filly pacers will not be eligible to start unless they are able to show at least one performance line of 2:07 or better on gait at the time of draw. All 3-year-old pacers must comply with the overnight rules of the Commission, including but not limited to the provisions of Chapter 7, Section 7 and the overnight conditions of the meet.

Two- and 3-year-old trotters and pacers that made breaks in the past three consecutive starts on a good or fast track and failed to finish first, second, or third must go a qualifying race. Breaks caused by equipment failure or interference will be excused.

If the owner, trainer or authorized agent fails to present such veterinarian's slip, the conditions of Chapter 7, Section 8, will apply.

7. The final shall be the last stakes event contested in the racing season for each division and shall be limited to the eight highest point winners declared to start.

In the event that a tie exists for the eighth point position, all eligible horses shall be allowed to compete. If enough horses tie for the eighth

high point position so that it would create a race with more than 10 positions, the eighth, ninth and tenth positions shall be allowed to compete.

Final events that do not fill with point winners may be filled with 2- and 3-year-olds otherwise eligible to the division and drawn by lot.

Current season point winnings will be determined as follows:

a. Two- and 3-year-olds racing in Maine Standardbred Breeders Stakes races will be awarded points based upon their finishing position in each Maine Standardbred Breeders Stakes dash during a season to be accumulated throughout the season in order to qualify 2- and 3-year-olds for the final event to be raced at the end of each season.
