(a) the 2- and 3-year-old February 15 fees will be divided equally between trot and pace divisions for colts and equally between trot and pace divisions for fillies.

(b) the 2- and 3-year-old April 15 payment will follow the horse by sex and gait.

(2) New York Sire Stakes Fund monies will be divided each year in accordance with ratios established by the Fund.

**Racing Conditions:**

(1) Each race to be held in one dash at one mile.

(2) A NYSS final or consolation race, if scheduled, for 2- and 3-year-olds who participated in NYSS No. 58. Horses will be segregated by sex and gait in all events. Eligibility to these Championship events will be determined on a point basis. Points will be earned in legs of NYSS No. 58 raced at the participating pari-mutuel tracks and will be awarded as follows:

50 points for winning a leg, 25 points for placing second, 12 points for placing third, 8 points for placing fourth, and 5 points for placing fifth. The said horse would receive points according to its official finish, regardless of how many horses finish the race. A horse must finish the race to earn points, unless the race is cancelled (see race condition # 13, cancellation). Recalls – recalls in a NYSS race would be for the following reasons:

Broken equipment, interference behind the starting gate, a horse falling before the word "go" is given, a horse scoring ahead of the gate or a horse assuming incorrect post position, or malfunction of the starting gate.

(3) All Sire Stakes events at each sex, age and gait shall be limited to as many starters as can be drawn to post in the first tier. Trailers will not be permitted to start in any New York Sire Stakes event. (Trailers are permitted to start at county fair events.) All owner entries must be split into different divisions for all Sire Stakes, if possible. No more than two entries from a common owner will be permitted in the same final or consolation, if scheduled. If an owner is affected by this condition, eligibility will be determined for those

horses, with three or more starts, on highest points earned. Any horse that changes owner within 30 days before the date of entry (draw date) for NYSS final or consolations, if scheduled, must get those changes approved by the Fund or its designee to be able to race in the finals or consolations.

(4) Sire Stakes races will be divided into divisions in a manner that ensures fields of equal size. When the number of horses entered into an event does not divide equally, the fields will not vary in size by more than one horse.

(5) In the event of a dead heat for any position in any leg of NYSS No. 58, points will be split evenly between the horses involved. In the event of a tie for the last entry in the final or consolation, if scheduled,, the judges shall draw by lot from among the horses tied in the point standings to determine the final entry.

(6) All horses must enter the finals to race in either the finals or consolations. Consolations may be subject to race at a different venue on a different date.. Horses must start in at least three legs to be eligible to the final or consolation race if scheduled (unless removed due to owner conflict as provided in 3 above). Judges official order of finish (points) will be used in determining eligibility to the finals or consolation race if scheduled. The top eight (or nine on a 5/8s or larger track) horses entered will race in the finals. The next eight (nine) horses will make up the consolation. Should there not be enough entries in the box with at least three starts to fill the finals race, the highest point earner which has entered with two starts shall be selected, etc. until there are enough entries to fill the first tier. There must be at least 5 horses entered in the consolations. If there are fewer than 5 horses in the consolation, but not less than 4 horses, the consolation race shall be held but the purse shall be prorated based on the number of horses entered unless reduced pursuant to 6 above. There shall be no consolation race scheduled if less than 4 horses are entered.

(7) All final and consolation races, if scheduled, will race for an announced purse to be determined by the Fund.

(8) No horse is eligible to declare in a NYSS event unless it meets the following:

a) at least one charted satisfactory performance line within 30 days of declaration that meets the following qualifying time standards for its age and gait:

1/2 and 5/8 mile Tracks	7/8 mile or larger Tracks
PACERS 2 YO 2:03	PACERS 2 YO 2:01
3 YO 2:00	3 YO 1:58
TROTTERS 2 YO 2:07	TROTTERS 2 YO 2:05
3 YO 2:05	3 YO 2:03

Add 7 seconds to the times above to get a mile and 1/16 mile equivalent. Chartist track allowances may be used to meet the time standards.

b) and, the horse must not have consecutive breaks in its last two charted performance lines. If the horse does have two consecutive breaks, the horse must requalify and show a satisfactory charted performance line in the pertinent NYSS qualifying time, without a break, before being entered in a NYSS event. If the break was an equipment break or caused by interference, (ix) or driver caused the break, (dx), the break will not be counted against the horse. Also, any horse with one break that has been declared in before its second consecutive break will continue to be eligible to that declared event. Eligibility to subsequent events will be determined by a satisfactory performance, without a break, in said NYSS event. Officially charted workouts before the judges will not be allowed as a satisfactory charted line.

(9) Paddock time for the arrival of horses is one hour before the scheduled post time (excluding horses receiving lasix). Any trainer with a horse that is late to the paddock for a bona fide reason must contact the presiding judge before paddock time and receive permission to be late. In any event, the horse must be in the paddock at least

30 minutes before the scheduled post time of that race, or the horse shall be scratched by the presiding judge.

(10) Race Day Testing:

All horses competing in any NYSS No. 58 event will be subject to race day testing for impermissible administration of a drug or other substance to the horse. The testing shall also include total carbon dioxide testing (TCO2). Such tests may be administered on a pre- or post-race basis. In the instance of a post-race test, the horse being tested must stand at rest for a minimum of one hour after such horse has raced. Blood samples shall be obtained from each horse tested by a veterinarian or technician licensed by New York State to perform such tasks. Failure to present a horse for testing may be cause for forfeiture of purse earnings. The testing shall be performed in a laboratory approved by the Fund. Samples shall be taken in accordance with the procedures found in 9 NYCRR 4120.17(b), and for the purposes of this condition, all references to the "Commission" in that rule shall be considered references to the Fund. Prohibited substances include those substances listed in 9 NYCRR 4120.17(c), and for the purposes of this condition, all references to the "Commission" in that rule shall be considered references to the Fund.

Where the TCO2 blood level, based upon the above criteria, equals or exceeds thirty-seven (37) millimoles per liter, or thirty-nine (39) millimoles per liter for horses administered furosemide (Lasix), the following penalties shall be incurred:

(a) Said horse shall be disqualified from any purse winnings in the race for which it tests high, and said purse monies shall be redistributed.

(b) Said horse shall be disqualified from participation in any New York Sire Stakes event, including the final and consolation, should there be one, for a period of sixty (60) days from the day of violation.

(c) Said horse shall be disqualified from participation in any event sponsored by the Fund, including State and County Fair races for the duration of the penalty.

The New York State Gaming Commission (NYSGC) has regulatory authority over all pari-mutuel horse races in New York State. In any case of disparity between rules, the latest rules of NYSGC shall prevail.

(11) Out-of-Competition Testing - Any person who participates in the New York Sire Stakes shall be deemed to have given consent to submit their horse or horses to out-of-competition testing. Under such consent, the Fund may at a reasonable time on any date take blood, urine or other biologic samples from a horse that is entered to compete in the New York Sire Stakes in order to enhance the ability of the Fund to detect or confirm the impermissible administration of a drug or other substance to the horse. Horses to be tested may be selected at random, for cause or as determined by the Fund or an agent of the Fund. A selected horse that is not made available for sampling may be disqualified from competing in the Sire Stakes for the respective year in which the horse is eligible to compete. Samples shall be taken in accordance with the procedures found in 9 NYCRR 4120.17(b), and for the purposes of this condition, all references to the "Commission" in that rule shall be considered references to the Fund. Prohibited substances include those substances listed in 9 NYCRR 4120.17(c), and for the purpose of this condition, all references to the "Commission" in that rule shall be considered references to the Fund. A person whose horse was disqualified due to a finding of non-cooperation or a positive test for a prohibited substance may appeal such a finding in a hearing conducted in accordance with the State Administrative Procedure Act and before a hearing officer designated by the Fund.

(12) A horse that has a drug positive for a prohibited substance during any Sire Stakes event, such horse shall be ineligible for any Sire Stakes event final or consolation (Sire Stakes, Excelsior or County Fair series). Eligibility to the finals or consolation race, if scheduled, shall exclude all participants with appeals yet to be decided at

the time of declaration to the finals or consolation. In the case of a positive drug test, all appeals will be excluded from eligibility to the finals or consolation, if scheduled, unless they are resolved by adjudication prior to declaration. A person whose horse was disqualified due to a finding of non-cooperation or a positive test for a prohibited substance may appeal such a finding in a hearing conducted in accordance with the State Administrative Procedure Act and before a hearing officer designated by the Fund.

Should any participant in the Sire Stakes program be notified of a positive drug result, he/she must notify the Agriculture and New York State Horse Breeding Development Fund within 10 days upon receipt of the notice that they demand a hearing. Any such demand must be made in writing to the Agriculture and New York State Horse Breeding Development Fund and sent either by e-mail (info@nysirestakes.com) or mail to the Agriculture and New York State Horse Breeding Development Fund, 1 Broadway Center, Suite 602, Schenectady, New York 12305.

**(13) Cancellation:**

Should circumstances prevent the racing of any Sire Stakes event, the monies and points will be prorated among owners of entered horses on the grounds for the uncontested event at the time of declaring off. The money will not be counted as money earned. The points will count towards the finals. The cancelled event will also count as a Sire Stakes start.

Extenuating circumstances such as weather and labor disputes could be cause for rescheduling the final or consolation races, as per the NYSGC Rule 4114.3. All events shall be scheduled and run in cooperation with each licensee harness track in this state.

(14) All questions of ELIGIBILITY will be decided by the Fund and the NYSGC.

(15) When an owner has outstanding debts owed to any track, every horse owned in whole or part by that owner may be subject to be declared ineligible by any track the horse is entered at or subject

to be possibly scratched by the judges and not allowed to start in any New York Sire Stake Race, including County Fair Races, until such time that debt and all fees are collected.

(16) If an owner or trainer has a horse eligible to an Excelsior Series Final and also any NYSS final or consolation, then the owner or trainer must choose which final to declare into. A horse may only race in one final event. If the horse is scratched from either the Excelsior Series Final or a NYSS final or consolation, it will be ineligible to enter in the other respective final.
