If eight (8) or fewer horses declare on tracks which can accommodate eight horses in the first tier, or six (6) or fewer horses on all other tracks declare in, the race shall be raced at one mile each.

(8) On tracks that can accommodate less than eight horses in the first tier, four horses will start in the first tier and two horses will start in the second tier.

(9) County Fair events will be divided into divisions in a manner that ensures fields of equal size. When the number of horses entered into an event does not divide equally, the fields will not vary in size by more than one horse.

(10) Racing and Money Division shall be as follows for eight classes:

Races will be held for 2- and 3-year-olds who are participating in the County Fairs. Horses will be segregated by sex and gait in all events. Final races will be held for each sex and gait. Divisions - Monies will be divided equally with declaration fees following the horse in each division.

(13) Three Day Box: Declarations must be made by 10AM three days prior to the race (omitting Sundays except for Goshen). All horses must be tattooed or freeze branded before declaring. Declaration may be made by telephone to the race secretary. Once a horse is declared, the declaration fee is due and payable. Declaration to Championship Events will be at the time practiced for overnight events at the track holding the event.

(14) You may enter any fair on any given day but you can only enter one fair on that day. If you enter 2 fairs on any given day, you will be scratched from both fairs and subject to a fine for not honoring your declaration in addition to both starting fees.

(15) All declaration fees will be added to the event to which declared with payment to be made to the fair conducting the event. There will be no refunds for scratches.

(16) Should circumstances prevent the racing of any event, the race may not be declared off until published post time and monies will be prorated among owners of horses on the grounds for the uncontested event at the time of declaring off. The money will not count as money earned against the horse and no points will be awarded but will count as a start. The race must be held the day advertised with no carry-over.

(17) All participating horses shall be subject to tattoo, freeze brand, urine and/or blood testing on race day basis when deemed appropriate by the sponsor.

(18) The Fund will allocate to these New York-bred horse races an estimated \$24,000 per fair participating. Of this amount, 45% will be apportioned to the two-year-old events and 55% to the three-year-old events. The two amounts will be divided equally for colts and filly events. In addition, each participating fair will receive a proportionate share of all nomination and sustaining fees received from those eligible to these events. Purses will be made up of these Fund monies and Horseman's fees, plus declaration fees. There will be no deduction for promotion, clerical, or other expenses.

All races will be single heat events. Horses will be eligible to race one time each day.

(b) A list of such eligible horses with the total point accumulation will be furnished to the Race Secretary at the pari-mutuel track and he shall select from the list of horses from the top down until as many starters as can be drawn to post in the first tier are represented, limited to two entries from one common owner. Should there be a tie in the point standings for the final entrant, the judges will determine the final entrant by lot. Judges official order of finish will be used in determining eligibility to the Championship events exclusive of all appeals yet to be decided at time of declaration to the Championship event.

(c) Minimum starts: No horse shall be eligible to the Championship Race unless it has raced a minimum of five (5) different New York County Fairs that conduct NYSS races. Should there not be enough entries in the box with at least five starts to fill the race, the highest point earner which has entered with four starts shall be selected, etc. until there are enough entries to fill the first tier. Furthermore, any also eligible horses must have a minimum of four (4) NYSS County Fair starts.

(g) In the event of a close or disputed finish, the judge may consider a video replay of the finish if available from the representative of the Fund.

(20) If track conditions do not allow the use of a mobile starting gate, the program will be cancelled. If a starting gate is unavailable at the last moment for unforeseen reasons, a walk-up start is permissible at the discretion of the Judge. In no event will the program be allowed to start more than two hours after the published post time.

(21) All drivers, trainers and grooms must wear colors and safety helmets while warming up and racing at all county fairs.

(22) Race Day Testing: All horses competing in any County Fair Series event will be subject to race day testing for impermissible administration of a drug or other substance to the horse. The testing shall also include total carbon dioxide testing (TCO2). Such tests may be administered on a pre- or post-race basis. In the instance of a post-race test, the horse being tested must stand at rest for a minimum of one hour after such horse has raced. Blood samples shall be obtained from each horse tested by a veterinarian or technician licensed by New York State to perform such tasks. Failure to present a horse for testing may be cause for forfeiture of purse earnings. The testing shall be performed in a laboratory approved by the Fund. Samples shall be taken in accordance with the procedures found in 9 NYCRR 4120.17(b), and for the purposes of this condition, all references to the "Commission" in that rule shall be considered references to the Fund. Under such consent, the Fund may at a reasonable time on any date take blood, urine or other biologic samples from a horse that is entered to compete in the New York Sire Stakes in order to enhance the ability of the Fund to detect or confirm the impermissible administration of a drug or other substance to the horse. Horses to be tested may be selected at random, for cause or as determined by the Fund or an agent of the Fund. A selected horse that is not made available for sampling may be disqualified from competing in the Sire Stakes, including the Excelsior Series and County Fair races, for the respective year that the horse is eligible to compete. The money will not be counted as money earned. The points will count towards the finals. The cancelled event of County Fair Series will also count as a start for the County Fair Series final or consolation, if scheduled, for the horses declared in. Extenuating circumstances such as weather and labor disputes could be cause for rescheduling the final or consolation, if scheduled, as per the NYSGC Rule 4114.3. All events shall be scheduled and run in cooperation with each licensee harness track in this state.
