**Waiver:**

As a condition of participation in the Hap Hansen Progress Pace 2019 (the Open Division), the Owner(s) of the nominated horse(s) hereby grants to the Sponsor, its representatives, successors, and assigns the absolute right to copyright and publish, use or reuse still and motion photographic images of its horses, drivers, trainers, employees, officers and agents, in whole or in part, in composite or in distorted character, with or without use of names, in color or otherwise, for the purpose of promotion, advertising, trade or other lawful purpose in any and all media. Owner(s) waives any right to inspect and/or approve the finished product or the copy that may be used in connection therewith or the use to which it might be applied. Owner(s) further agrees to inform his drivers, trainers, employees, officers and agents of the authority granted to the Sponsor herein, to hold Sponsor harmless from any and all liability and damages, and to indemnify the Sponsor from same should any such owner(s), driver(s), trainer(s), employee(s), officer(s) and agent(s) challenge Sponsor's rights herein as set forth above.

**Racing Conditions:**

All events to be raced as one dash at one mile. There will be Eliminations or, at the discretion of the Sponsor, a Preview race held approximately one week prior to the Final. Declarations for the Final and the Consolation and for the eliminations (or preview events) will close at the time and date posted on the Condition Sheet. All horses qualifying for the Final or the Consolation must be properly declared with the Race Secretary.

If eight (8) or fewer starters are declared, a Preview race may be held at the discretion of the Sponsor for \$35,000. If a Preview race is held, all declared horses must race in the Preview in order to be eligible to race for the final. The entrance fee for all horses declared at the time of closing shall be payable not later than one hour prior to post time of the Preview.

If nine (9) or more are declared to start, the event will be held with eliminations. Eliminations will race for \$35,000 each. One of the following elimination plans will be used:

If more than eight (8), but less than twelve (12) are declared, one (1) elimination event is required, the first eight (8) finishers will be eligible for the Final.

If twelve (12) or more, but less than twenty three (23) are declared, at least two (2) elimination events are required. If two eliminations are held, the first four (4) finishers from each division will be eligible for the Final.

If three (3) elimination events are required, the first two (2) finishers in each division plus the two (2) fastest third place finishers will be eligible for the Final, making a field of eight (8).

If four (4) or more eliminations are required, eligible horses will be selected for a Final field of eight (8) in a method consistent with the above procedures.

In the event that horses eligible for the Final are not declared for the Final, additional horses from the eliminations will be selected from those properly declared by taking the horse(s) that placed highest in the official order of finish of the eliminations for a Final field of eight (8).

Should two or more horses tie for the final position(s) by virtue of their finish in the elimination race or races, thereby "qualifying" more horses than can be accommodated in a single tier, preference shall be given to the horse(s) with the highest lifetime earnings as compiled by the USTA, until there remains the number of horses permitted in a single tier.

In addition, two horses will be selected from those in the eliminations that do not qualify for the Final to be designated "Also Eligible" ("AE") for the Final. The preference to determine which is the first "Also Eligible" ("AE1") shall be determined by taking the horse that placed highest in the official order of finish of all elimination divisions, but did not qualify for the Final. The other horse shall be "AE2". Should two or more horses tie for the "Also Eligible" ("AE") designation preference shall be given to the horse with the highest lifetime earnings.

The preference to determine the field for the Consolation race shall be determined by taking the eight horses (including the two "Also Eligibles" selected for the Final) that placed highest in the official order of finish of all elimination divisions, but did not qualify for the Final. A minimum of six (6) separate betting interests are required for the Consolation or the Sponsor, at its discretion, may cancel the Consolation race. Two "Also Eligibles" may also be drawn for the Consolation.

In the event less than eight (8) horses declare for the Consolation, other horses that have been nominated to the Progress Pace, but which did not declare for the eliminations, are eligible to start in the Consolation upon payment of a \$1000 entrance fee. Preference will be given to those horses that started in the eliminations

The Sponsor at its sole discretion reserves the right to conduct this race in a format either with eliminations in the previous week to the final as published above, in divisions, or on a single date with "top eight" (8) format and possibly, at the discretion of the sponsor, a consolation race or races as determined by the number of entries. The format will be published the year prior to the first payment in the year of the race.

The Sponsor reserves the right to reject and return the entry fee. A minimum of five (5) separate betting interests are required in any event or the Sponsor, at its discretion, may cancel the race.

Ownership and stable entries will be seeded by lot in the eliminations when possible. Post positions for all races will be determined by an open draw.

All starters are subject to the detention policy of the race track.

**Money Division:**

Purses for all races will be divided 50-25-12-8-5% and be paid by the Hambletonian Society.

**Drivers and Trainers Fees:**

The driver and trainer fees may be disbursed in accordance with the policy of the track at the time of the race and be paid by the Hambletonian Society.

**Disputes:**

In the case of any dispute as to the interpretation of these conditions, the decision of the Sponsor shall be final. All fees and payments in any race are accepted on the condition that all claims, objections and appeals arising out of these races or with respect to any interpretation of any rules or conditions of the races, or otherwise shall be decided by the Sponsor.

**Rules:**

Unless otherwise specified and except as may be affected by a state or provincial racing Commission or Board, USTA rules not in conflict with these conditions or the future amended conditions in the year of the race to govern, as well as the Track rules and regulations. The conditions and rules and regulations shall be those in effect at the time of the race.
