Additional Closers will be announced in our newsletter throughout the year. **THESE DATES AND PAYMENTS ARE STILL SUBJECT TO CHANGE.** You do not have to make a decision now on your horse's schedule for the year. Payments shown will be billed to you **in the month** they are due. NOTE, WE HAVE ENCLOSED THE RACE ENTRY FORMS FOR THE MONTH OF FEBRUARY. **Keep your preliminary schedule as a reference** over the next few months to help in deciding your horse's schedule for the entire year. This is your overview of the staking season. Hereafter, race schedules will be updated and sent out to you periodically.

IF YOU HAVE A SCHEDULE FOR A HORSE YOU ARE NOT STAKING, PLEASE CONTACT OUR OFFICE SO WE CAN DELETE THIS HORSE FROM YOUR ROSTER. **IF YOU ARE MISSING A SCHEDULE FOR ANY HORSE THAT YOU ARE STAKING IN 2021 IT IS IMPORTANT THAT YOU CONTACT OUR OFFICE IMMEDIATELY.**

IF YOU SHOULD RECEIVE SOMEONE ELSE'S SCHEDULE PLEASE CALL OUR OFFICE AND LET US KNOW.

Races listed under “*NEXT YEAR’S EVENTS*” at the end of each 2 year old schedule are race events with payments that are due *this year* to keep horses **eligible at 3**.

Purses are based on estimates given by the race sponsors, often based on results from the previous year. Note actual purses can be lower .

CANADIAN PURSES

Purses for events raced in Canada are shown in estimated Canadian dollars.

SUPPLEMENTS

Events accepting supplemental payments are all listed in this Newsletter. It is not necessary to pay these fees if your horse has already been made eligible to that race. There are regular 2 & 3 year old supplemental payments for some events and race time supplemental payments. This symbol [s] **means that a supplement payment is accepted at Race Time.**

****** *QUALIFYING* ******

ALL HORSES MUST MEET QUALIFYING STANDARDS ESTABLISHED AT EACH RACETRACK. CALL THE RACE SECRETARY FOR ADDITIONAL INFORMATION. CHECK CONDITION SHEETS AT ALL TRACK LOCATIONS FOR DECLARATION DAYS AND TIMES.

RACE CONDITIONS

We do not publish the conditions for stake and closer events. **CONSULT THE USTA STAKES GUIDE FOR DETAILED CONDITIONS OR YOU CAN VIEW THEM ON THE USTA WEBSITE OR CALL US AND WE WILL EMAIL A COPY TO YOU.**

BREEDERS CROWN

1. If your 2 year old is *Not Eligible* to the Breeders Crown this year at 2, there is a supplementary payment due in February included in your horse’s payment schedule. This payment of \$1300 must be made along with all the remaining sustaining payments to race in the Breeders at 2. If you also want to make your horse eligible to the Breeders at 3 there is an additional \$500.00 payment that ***all horses*** are required to make to race in the Breeders at 3.
2. If your 2 year old is *Not Eligible* to the Breeders Crown and you want to make your horse eligible to ***race at 3 only*** there is a \$1500.00 payment you can make in **March**. This payment will make your horse eligible to the Breeders **at 3 ONLY**.
3. **All 2 Year Olds** that ***are eligible*** to the Breeders Crown must make the **\$500.00 March payment to remain eligible at 3**. This payment is mandatory and is a separate fee from the sustaining 2 year old payment.

MANDATORY SUSTAINING FEES

First sustaining payment for all two year old Sire Stakes events (except Ohio, Indiana and Ontario) is ***mandatory*** for future eligibility. The same applies for Stakes events. For some events you can make a supplemental payment at age three, but the fee is much higher. ***Mandatory payments are indicated on Billing Forms by an asterisk (*)***.
